Since there are very few east turret personnel in the second half, if the NAP is concluded successfully and the situation is settled, some players will move to the east turret to adjust the balance.

後半の東砲台要員が少ないので、NAP 結べた場合は後半何人か東に回ってバランス取って

All military types are short on personnel for the second half, so players who registered in the first half and are able to remain should stay at the turret.

後半の参加者がとても不足しているので、前半で登録した者も引き続き残れるプレイヤーは残ってください。
